

# RESUME

## Joe Cole Frontend Developer

Email: [colefrankenstein@gmail.com](mailto:colefrankenstein@gmail.com) | Tel: +233 (0) 242680037

### Objective:

Passionate and driven Frontend Developer with over 1 year of hands-on experience, eager to embark on new challenges and expand my skill set. Committed to crafting intuitive and visually stunning web applications, I thrive on utilizing cutting-edge frontend technologies to create immersive digital experiences. Excited to continue growing and learning in the dynamic field of web development.

### Education:

Begoro Presbyterian Senior High School

WASSCE Certificate

2014-2017

Freecodecamp

Responsive Web Design (HTML, CSS, JavaScript)

2023-2024 (300Hours)

### Professional Experience:

Frontend Developer

Self Employed

2023-Date

- **Client Communication:** Effectively communicate with clients to understand their needs, provide updates, and address feedback throughout the project lifecycle.
- **Frontend Development:** Code and develop visually appealing and user-friendly frontend interfaces using HTML, CSS, and JavaScript frameworks.
- **Project Management:** Manage project timelines, scopes, and budgets to ensure timely delivery of high-quality work that meets client requirements.
- **Testing and Debugging:** Thoroughly test code for bugs and errors, and promptly debug issues to maintain the reliability and functionality of websites and applications.
- **Continuous Learning:** Stay updated with the latest frontend development trends and technologies to enhance skills and remain competitive in the field.
